What Did You Roll?

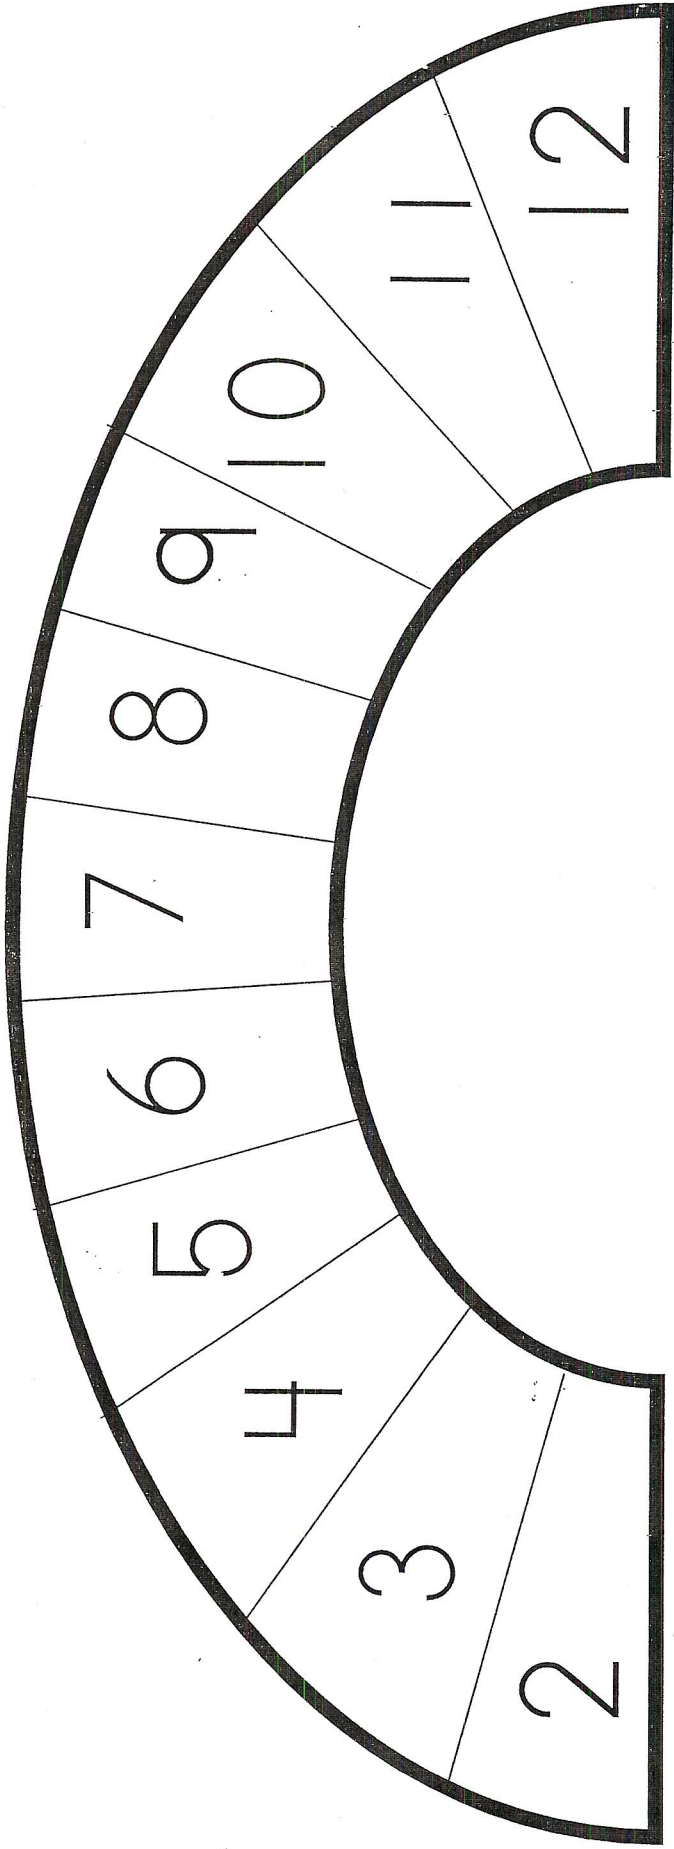

Bump

An addition game for 2 players
Materials Needed: 2 dice, 10 different colored unifx cubes for each player.

Directions: Roll dice and put a cube on that number. If another player's marker is on that number BUMP it off. If your marker is on that number, link the cubes together and it freezes that spot. The winner is the player that uses all of his/her markers first!

Lucky you! If you get doubles, you get another turn.

Rainbow Math

Roll the dice. Count and add the dots. Color the number above. Use different colors to make a beautiful rainbow.
