Portville Land Rate Tables used instead of Cuba Land Rate Tables if this property is on deeded land. The Cuba Land Rate Tables do not align to the NYS ORPS RAR or NYS Ag & Markets data. The Portville Land Rate Tables are the ones that were approved by ORPS in 2007 and still in place today. Given that Portville is adjacent to Cuba, Cuba should be using the same land rate tables for its land assessment. These tables do not apply to NYS Leased Land where no assessment can be made on the land.

**Instructions:**

1. Print off a copy of your RP-524 package.
2. If you are on NYS Leased Land, you will not need to include the land rate table page with your package.
3. Go to cuba-newyork.com, select the green marble icon labeled "Square Footage Comparison". Find the 5 properties before yours and 5 properties after yours. Print those 1 or 2 pages, draw a red rectangle around the 11 properties, highlight your property with a yellow marker. Attach as the last page of the package.
4. Make 3 copies of your package.
5. Sign and date Section Five "Certification" on page 4 of each copy.
6. By May 15th, mail one signed copy via USPS with "Delivery Confirmation" to:

**Board of Assessment Review  
Town of Cuba  
PO Box 41  
5 Bull Street  
Cuba, NY 14727**

7. By May 15th, mail one signed copy via USPS to:

**Assessor  
Town of Cuba  
PO Box 41  
5 Bull Street  
Cuba, NY 14727**

8. Keep one signed copy for your records with the Delivery Confirmation Receipt attached.
9. Don't sweat the small stuff if you see an error. If it does change the value by at least \$2,000, it won't have that big a hit on your taxes. This is especially true of improvements because the value you see there is computed by cuba-newyork.com. The assessors don't know what the value really is (or at least that's what they say). But if you see a major error, please send a message via the "Contact Us" at cuba-newyork.com. We will try and fix it for you as quickly as possible so you can do your filing.
